

2022 IJBCA Indiana's Finest Rules

1. Exhibitor Eligibility

Only Indiana Residents who are in the 3rd grade but are not older than 21 years of age as of December 31, 2021 are eligible to accumulate points. Anyone who has reached 22 years of age before January 1, 2022 is ineligible to participate.

2. Nomination Fee and Enrollment

To receive IJBCA points, participants must pay a **\$50.00 per member nomination fee**. This is a one-time nomination fee for the show season. **This fee includes one animal. A person wishing to add more than one animal, must pay an additional \$10 per animal. If an animal is registered for multiple breeds, each breed counts as its own registration, thus its own \$10 fee.** Exhibitors must nominate their animals for the program at the first show from which they wish to receive points. Nominations can be made at any participating show. A nomination form must be completed for each animal nominated and may be submitted during registration at the animal's first sanctioned show and ***must be turned in before the conclusion of the show. No exceptions.*** Multiple animals can be entered on one form. ***The first eligible show to accumulate points for the 2021 season will be the 2021 Hoosier Beef Congress with the option to register online or fill out a form in the IJBCA booth.*** Purebred animals must provide a copy of registration papers with the nomination form.

3. IJBCA Membership

To receive points, an exhibitor must be a resident of Indiana and be a member of the Indiana Junior Beef Cattle Association. Membership must be paid before points can be accumulated on a nominated animal. Membership dues are \$15 and can be paid at time of nomination of animals. *Participation in the 2021 HBC Showmanship counts as a membership fee.*

4. Show Your Own Animal For Points

To receive points, animals must be shown by their owner. An exception is made if the participant:

- a. Owns two or more animals that are in the same class
- b. Has two different animals that are both showing simultaneously in adjacent rings

In these two scenarios, another junior may exhibit the second animal and the participant would still receive points for both animals. When the class conflict is over and for championship drives, the actual participant must return to showing his/her own animal to retain the points earned. It is the participant's responsibility to inform the IJBCA committee member in charge of the class conflict, as it happens, not after the show.

Participants that are physically unable to show their animal may ask another junior who meets the age and program requirements to show their animal, but the unable participant must be present at the show to earn points. If the participant becomes ill after the cattle have arrived at a show and been checked-in, another junior who meets the age and program requirements may show the animal(s). The participant must seek prior approval from the IJBCA Committee and the participant must be present at the show facility. Should a participant become ill and stay home prior to the cattle leaving for a show, no points will be awarded to the participant's cattle. Family emergencies are at the IJBCA Committee's discretion, but the participant must seek prior approval for points to count. The IJBCA Committee reserves the right to use discretion in administering this rule regarding situations not already covered. All decisions by the IJBCA Committee on points associated with showing your own animal shall be final.

5. Sanctioned Show Requirements

A sanctioned show must be open to all IJBCA Indiana's Finest exhibitors but is not limited to them. A sanctioned show may be open to the world, but only IJBCA Indiana's Finest members will accumulate points.

Sanctioned shows must pay **\$150 for a single ring show and \$200 for a double ring show by November 30th**. ***After November 30th*** commitments are **\$200 for a single ring show and \$250 for a double ring show**. Each sanctioned show must offer a steer and heifer show and showmanship. **ALL SHOWS ON INDIANA'S FINEST MUST BE COMMITTED BY DECEMBER 31, 2021**. Results from a sanctioned show must be submitted to the committee at the completion of the show. Point standings will be posted by 11:59 PM EST on the Thursday following a show, with the exception of Hoosier Beef Congress. Exhibitors have five days (i.e., Tuesday at 11:59 PM) after points are posted to dispute points.

There will be a one-year probation for breeds that want to be added to the list for future years. At the conclusion of the year, the IJBCA Committee will make a determination if the breed will be added. Among the IJBCA Committee’s considerations will be the number of animals exhibited and the number of exhibitors of the breed.

e. An animal can be shown as a crossbred one week and a breed animal the next week and maintain two sets of points. The multiple sets of points will be added together on the animal for Top 10 Heifer and Steer awards. Points for breeds will be treated as two separate animals.
